## Southwest Airlines – Austin Office / Airport Location

### Southwest Airlines

**Address:** 3600 Presidential Blvd, Austin, TX 78719, USA — located at **Austin–Bergstrom International Airport (AUS)**, typically at or near the **Barbara Jordan Terminal** where the airline operates its ticket counter and customer service desks. ([FlightOfficeWorld](#))

### Phone:

- **Main Southwest Customer Service / Reservations:** +1-800-435-9792 (U.S. toll-free number) — this is the general contact line used for reservations, changes, and support. ([FlightOfficeWorld](#))
- **Austin Airport Info (not Southwest office):** +1 512-530-2242 — Austin Airport general contact, useful for terminal info. ([www.airoffices-guides.com](http://www.airoffices-guides.com))

### Notes:

- This **location is the Southwest ticket counter and customer service presence at Austin–Bergstrom International Airport**, where you can check in for flights, ask questions about departures, and handle basic travel needs. ([FlightOfficeWorld](#))
- It is **not a separate corporate or standalone office building**; rather, it's staffed airline service counters inside the airport terminal. ([Airlines Office Details](#))

### Additional Context

- Southwest does not maintain a distinct, full-service standalone corporate office in **Austin** outside of its airport operations — broader corporate functions are handled at its headquarters in Dallas, Texas. ([www.airlinesheadoffice.com](http://www.airlinesheadoffice.com))
- Southwest is expanding its presence in Austin: the airline **plans to open a new crew base at Austin–Bergstrom International Airport in March 2026**, which will create a significant number of jobs and likely increase local airline operations and staffing. ([Reuters](#))
