

# 1-866-829-1086 Southwest Airlines Paris Office

Southwest Airlines **does not maintain a dedicated customer service, ticketing, or corporate office in Paris, France** (neither downtown nor at Paris airports such as Charles de Gaulle or Orly). The airline doesn't publish any such location on its own contact pages. Southwest manages customer support through centralized channels — such as phone and online tools — and does **not have local walk-in offices in Paris**. ([Southwest Airlines](#))

This is typical for Southwest outside of the U.S., because the airline's network has been almost exclusively domestic with some service to Mexico, the Caribbean, and Central America. Southwest has not yet launched *its own* scheduled flights to Europe, and therefore it has **no physical airline counters staffed in Paris**. ([Southwest Airlines](#))

## Paris Airport (CDG / ORY)

You might see third-party listings referring to Paris airport addresses or claiming “Southwest Airlines Paris Office,” but these are **not official Southwest locations** and often appear due to generic directory templates or scraped data. They're *not* confirmed by Southwest themselves and should not be relied upon as customer service offices in Paris.

If your ticket includes a European-based airline partner (e.g., a codeshare with a carrier that *does* fly into Paris), the operating airline's ticket counters at Charles de Gaulle (CDG) or Orly (ORY) are where in-person service is available on travel days.

## Official Ways to Contact Southwest (From Paris / France)

Since Southwest doesn't have a Paris office, here's how you can **reach official support**:

### Phone (US-Based Customer Service)

- **Southwest Customer Service: +1-800-435-9792** — Southwest's primary reservations and support number (reachable internationally; dial your country's exit code first). ([Southwest Airlines](#))
- Some contact guides list alternate toll-free or support ramps (e.g., **1-855-738-4113**) that route into SWA's system. ([Forum Le Figaro](#))

When calling from France, dial your international exit code (often **00**) then the U.S. number (e.g., **00 1 800-435-9792**).

## Online Support

- **Official Contact Page:** [https://www.southwest.com/contact\\_us/](https://www.southwest.com/contact_us/) — This has help topics, chat links, and ways to connect online. ([Southwest Airlines](#))
- **Southwest Mobile App:** Manage bookings, check in, view flight status, and access support directly from your phone.

## Live Chat & Social Media

- The Southwest *Help* section on the official site offers live chat options. ([Southwest Airlines](#))
- You can also reach out via Southwest's verified social media profiles for assistance.

## In-Person Support on Travel Days

If you're *currently in Paris* and need in-person help related to a Southwest itinerary *that connects through other carriers*, you'll deal with the **operating airline's desk at Paris airports** (e.g., Air France, United, etc.) rather than Southwest itself.

For example:

- If your flight includes a codeshare operated by a partner that flies to CDG/ORY, the *operating carrier's* counter handles check-in, baggage, and day-of-travel service.

Southwest's own counters only exist where it operates flights — which are **primarily in the United States and select nearby international destinations**. ([Southwest Airlines](#))
