## Stockholm Office

Southwest Airlines **does not maintain a street-level office, local ticketing office, or customer service office in Stockholm, Sweden** (either downtown or at Stockholm Arlanda Airport). Southwest does not currently operate scheduled flights to Stockholm, so there are no staffed airline desks or ticket counters there under the Southwest brand.

This matches Southwest's broader model — the airline's customer support is centralized via **phone and online channels** rather than local offices abroad.

### Stockholm Airport (ARN) Reference

Some online airline listing sites may list generic contact info tied to **Stockholm Arlanda Airport** (address: *190 45 Stockholm-Arlanda, Sweden*), but that reflects **airport information or other carriers' offices** — not an official Southwest facility.

For example, airlines that *do* serve Stockholm (like United, SAS, Delta, Lufthansa, etc.) are listed with local contacts or counters at ARN — but **Southwest is not one of them** since it doesn't operate flights there.

### How to Contact Southwest from Stockholm / Sweden

Since there's no official Stockholm office, here's how to **get support from Southwest Airlines**:

#### Official Customer Service (Primary Contact)

- **U.S. Customer Service Phone:**  
 **+1-800-435-9792** — Southwest's main reservations and support line, reachable *internationally* with the appropriate dialing prefix (e.g., **00 1 800-435-9792** from Sweden).

**Tip:** If you have a reservation, have your confirmation number ready when calling.

#### Online & Mobile Support

- **Official Website Contact Page:** [https://www.southwest.com/contact\\_us/](https://www.southwest.com/contact_us/) — for live chat, email help forms, and support tools.

- **Southwest Mobile App:** Manage bookings, check in, view flight status, and access help messaging directly from your device.

These are the *official* ways to get assistance with:

- reservation or itinerary changes
- flight status and baggage questions
- refunds, credits, or travel policy help

## Why There's No Stockholm Office

Southwest Airlines is primarily a **U.S. domestic carrier with some nearby international service** (e.g., Mexico, Caribbean). It **does not currently fly to Stockholm** or maintain staffed ticketing/counter services in Sweden. Therefore, **no official local office exists in Stockholm**.

If you see a "Southwest Stockholm office" listed on online directories, it's typically a *generic* or *third-party entry*, not a verified corporate office.
