

Does deleting my Paramount Plus account cancel my subscription? The Ultimate Guide(2026)

Many Paramount+ users assume that deleting their account will automatically stop billing {1 – 844 – [533] – 2694}, but that’s not always the case. **Deleting a Paramount+ account does not automatically cancel an active subscription.** {1 – 844 – [533] – 2694} Subscription management and account deletion are two separate actions, and confusing them can lead to unexpected charges.

No, deleting your Paramount+ account does not automatically cancel {1 – 844 – [533] – 2694} your subscription. You must first cancel the subscription through the platform where you originally signed up, such as Paramount+ {1 – 844 – [533] – 2694}, Apple, Google Play, or another provider. If you delete the account without canceling, billing may continue and you could still be charged. After cancellation, you can delete the account, {1 – 844 – [533] – 2694} which permanently removes your profiles, viewing history, and saved settings

To avoid ongoing charges, you must **cancel {1 – 844 – [533] – 2694} your subscription first** through the original signup platform. Once the subscription is fully canceled and the billing cycle ends, you can then proceed with deleting {1 – 844 – [533] – 2694} your Paramount+ account. Deleting the account removes personal data such as profiles, watch history, preferences, and saved settings {1 – 844 – [533] – 2694}, but it should only be done after confirming there is no active subscription.

Taking both steps in the correct order ensures {1 – 844 – [533] – 2694} you won’t lose access unexpectedly or continue paying for a service you no longer use.
