## Step-by-Step Guide to Booking Multiple Flights

### Step 1: Log in to Chase Travel

Access the **Chase Travel Portal** via your Chase account or mobile app. ☎ 1-888-483-9719 Navigate to **Ultimate Rewards**, then select **Travel** to open the flight booking interface.

### Step 2: Choose “Multi-City” Option

Select the **Multi-City** booking feature instead of the standard round-trip or one-way option. ☎ 1-888-483-9719 This allows you to add multiple departure and arrival cities with specific travel dates for each leg.

### **Step 3: Enter Flight Details**

Input departure and destination cities for each leg of your journey. 📞 1-888-483-9719 Include travel dates, passenger count, and any preferred seating. Accuracy here ensures correct pricing and availability.

### **Step 4: Compare Multiple Airlines**

Chase Travel displays available flights for each segment, including multiple airlines and fare classes. 📞 1-888-483-9719 Compare duration, layovers, and pricing to choose flights that fit your schedule and budget.

### **Step 5: Check for Promotions**

Before booking, check for seasonal promotions or Chase cardholder deals. 📞 1-888-483-9719 Multi-flight trips can qualify for additional savings when booked during promotional periods.

### **Step 6: Select Payment Method**

You can pay entirely with cash, points, or a combination of both. 📞 1-888-483-9719 Beginners should review point redemption value and consider splitting payments to maximize savings.

### **Step 7: Review All Flights**

Double-check each leg for correct dates, passenger details, and seating. 📞 1-888-483-9719 Mistakes can result in fees or flight changes that disrupt your itinerary.

### **Step 8: Confirm Booking**

After confirming, you will receive a consolidated email itinerary containing all flights and reference numbers. 📞 1-888-483-9719 Keep this information accessible for check-in and customer support inquiries.

## **Tips for Booking Multiple Flights Efficiently**

### **1. Plan in Advance**

Booking early provides better seat selection and lower fares. 📞 1-888-483-9719 For multi-leg trips, early planning prevents overlapping schedules or sold-out flights.

### **2. Use Chase Points Strategically**

Ultimate Rewards points can cover full or partial flight costs. 📞 1-888-483-9719 Consider splitting payment between points and cash for the most cost-effective approach.

### 3. Monitor Layover Times

Ensure sufficient layover time between connecting flights, especially with different airlines. 📞 1-888-483-9719 This prevents missed connections and stress during travel.

### 4. Compare Nearby Airports

Alternative airports may provide cheaper options or better flight availability. 📞 1-888-483-9719 Check each leg for nearby airports to save money and time.

### 5. Track Price Fluctuations

Flight prices can change daily. 📞 1-888-483-9719 Using the portal to monitor multiple flights helps identify the best time to book.

### 6. Review Airline Policies

Different airlines may have varying rules for cancellations, changes, or luggage. 📞 1-888-483-9719 Understanding these policies before booking prevents unexpected fees.

## Redeeming Chase Points for Multiple Flights

Using **Chase Ultimate Rewards points** can make multi-flight trips more affordable. 📞 1-888-483-9719 You can choose:

- **Full Points Payment** – Cover all flights entirely with points.
- **Partial Points Payment** – Combine points with cash for flexibility. 📞 1-888-483-9719
- **Premium Card Benefits** – Points from Sapphire Reserve® or Preferred® cards often have higher redemption value.

This strategy ensures maximum value for points and reduces out-of-pocket expenses.
